

SEASCAPE

AUCKLAND

Construction Progress Update

March 2023

# The Ascension Continues

## Shape Is Transforming

As we enter into Q2 of 2023, Seascape's shape has begun to transform and narrow in as we reach the prestigious floors, the eastern corner's viewing platform on level 37 marked the start of the narrowing.

Seascape is proud to announce the commencement of the sub-penthouse floors at level 41.
